## INSTALLATION STEPS:

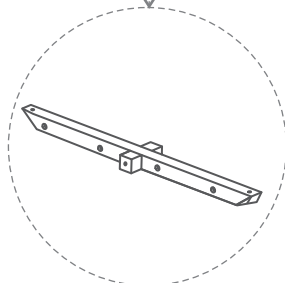

- ▲ Place a soft cloth or similar material on the assembly table to prevent scratching the surface during assembly.
- ▲ Please refer to the following guide to assemble this product:

### [STEP 1]

Assemble the "Middle Connection Rod" with the "Middle F-Block A", "Middle F-Block B" wooden pieces as shown below:

After completing this assembly step as shown, ensure all bolts are left loose. It will connect to other components later. Tighten only during the final assembly, after all parts are in place.

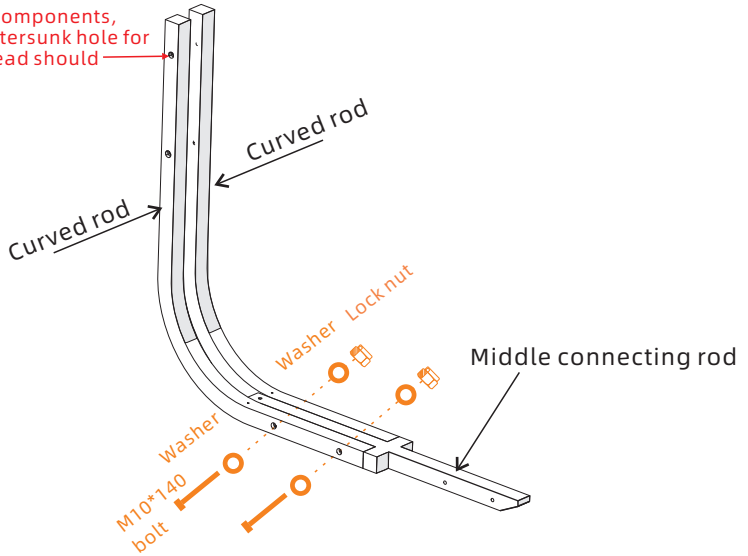

## [STEP 2]

Take 2 Curved Rod components and the Middle Connecting Rod; assemble one side of the structure using M10×140mm bolts(2), washers(4), and lock nuts(2), as shown in the illustration below:

**Note:** Do not fully tighten the nuts until the final installation is complete.

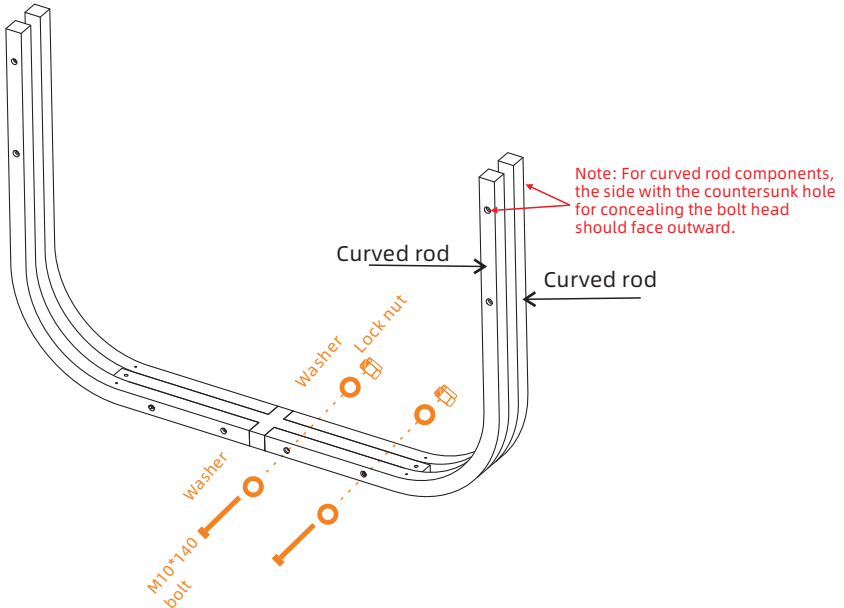

Note: For curved rod components, the side with the countersunk hole for concealing the bolt head should face outward.

## [STEP 3]

Take the remaining 2 Curved Rod Components and connect the opposite side structure using M10×140mm bolts(2), washers(4), and lock nuts(2), as shown in the diagram Below:

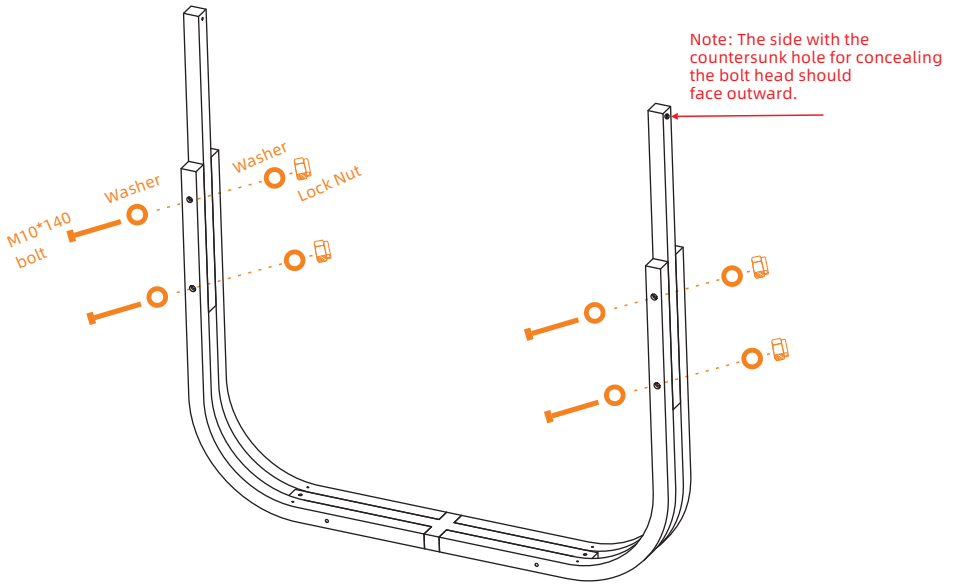

**Note:** Do not fully tighten the nuts until the final installation is complete.

## [STEP 4]

Secure the Hanging Rods(2) on both sides using M10×140mm bolts(4), washers(8), and lock nuts(4), as shown in the diagram below:

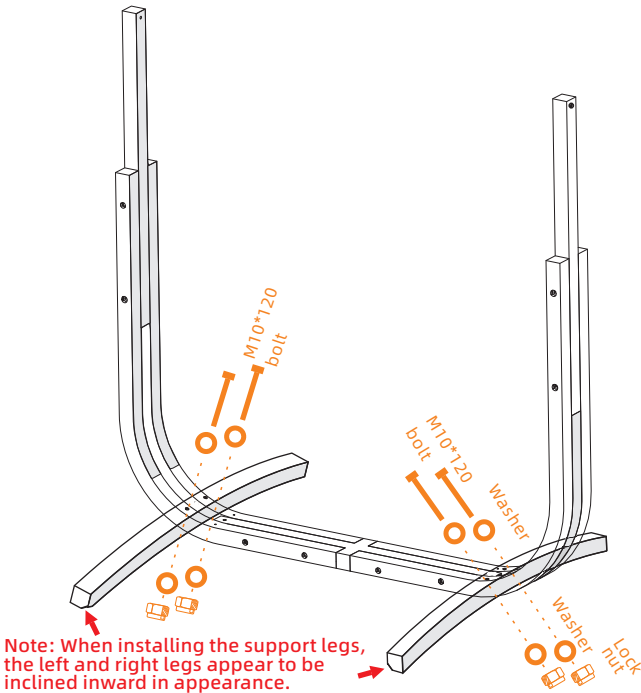

**Note:** Do not fully tighten the nuts until the final installation is complete.

## [STEP 5]

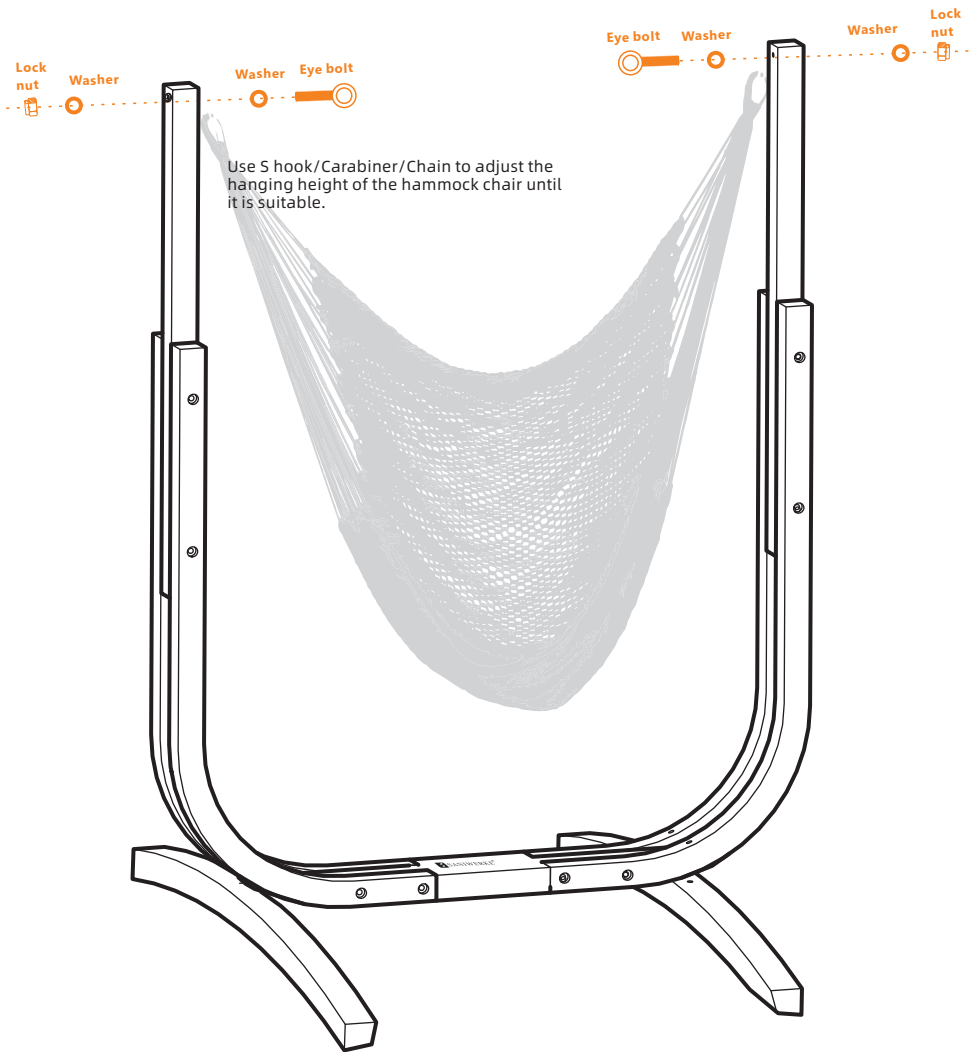

Secure the pre-assembled structure to the left and right Support Leg using M10×120mm bolts(4), washers(8), and nuts(4), as shown in the illustration below:

**Note:** Do not fully tighten the nuts until the final installation is complete.

## [STEP 6]

Install the Eye bolts(2), Washers(4), Lock nuts(2) on both sides, and attach the safety carabineers if required. Hang the hammock chair and adjust the suspension height using the chains as needed.

### Final Assembly:

- ▲ Tighten all nuts securely.
- ▲ Inspect all connections to ensure they are firm and stable.
- ▲ Verify that the hammock chair is properly attached and safe for use.
